- Focused on Communication skills in English .
- Taught over than 15 students and affected on them by making them love studying English and speak it most of the time .
- Guided the slow learners to hit their goals through customised plan .

TRAINING COURSE

Youth voices track

the Inclusive Youth Empowerment (IYE) program Mansoura Cycle, a collaborative initiative by Empower Hub, the British Council, and GIZ in Egypt.

Jul 2024 - Present

The IYE program aims to support and develop the skills of young men and women across Egypt, empowering you to bring about meaningful change in your society. By enhancing leadership and participation skills and promoting dialogue between cultures, this program focuses on social responsibility, gender issues, inclusion, and disability.

This program is a unique opportunity to enhance your leadership abilities, engage in intercultural dialogue, and contribute to social responsibility initiatives.
